

PRODUCT INFORMATION M-Table_TY_EN - 08.01.2020 - www.vs-furniture.com

M-Table Side table in standing and sitting heights.

Construction consisting of two side elements, a seat plate and a stable, centrally-positioned double cross beam, each made of CPL or veneer-coated chipboard. Additional steel connecting fittings for increased stability. Both side pieces with glide elements

Stand-at tables 88 cm high as an option and 106 or 120 cm high as standard, with two additional tubular steel footrests.

Installation. For use in corridors, auditoriums, or in rooms with high safety requirements – also with floor fixing.

The following material groups are available to choose from: Chipboard with laminate: L4; Top veneered: F1.
