EcoTable-Q

Lecturer's and teacher's table with square tubular legs.

Frame consisting of an all-round rectangular steel edging with welded-on table legs made from square tubular steel, powder-coated with colored epoxy resin. Table with leveling screws, glides for hard or soft floors, or 2-component universal glides, or with 2 or 4 lockable castors.

Table heights of 29 1/8 and 30 inches.

Tabletop made from melamine resin-coated or laminate-coated LIGNOpal chipboard with glued plastic edge or highly rigid moulded PUR edge. In some cases also with rigid HPL top. Equipped with angled corners in all cases.

Equipped on the left, right or on both sides with a substructure with drawers or cabinet door. Optionally with front panel.

The following material groups are available to choose from: Frame made of steel: M1; Top made of chipboard: L6; Top made of chipboard with PUR edge: L2; HPL-top: L4; Chipboard with laminate: L2.
