## eddy-Lockin Locker for eddy-toolbag.

Special cabinet available in height units 3 and 4.

**Type:** Cabinet with small compartments and eddy compartments arranged in pairs. With fixed construction shelf for the vertical subdivision of the body in units of 1 HU. Optimized for the storage of the eddy toolbag, eddy compartments with business card holder and finished back.

**Front** consisting of wing or double wing doors opening to the left and/or right in 1 HU without handles. Optionally available with mail slot.

**Base** made from sheet steel.

**Locking system** optionally available with cylinder locks or combination locks with fixed or freely definable code.

**Installation:** Models of height 197 cm or more must be fixed to the wall or floor (German Social Accident Insurance regulation 108-007).

The following material groups are available: Body and bases made of chipboard: L6; Front made of HPL-top: L3.

Available from April 2018
