

## PRODUCT INFORMATION Lounge-Sit\_TY\_EN - 01.03.2018 - www.vs-furniture.com

## Serie Lounge Linear seating elements.

**Upholstered-furniture range** with the elements stool, seat bench, easy chair and sofa – based on cubic elements with backrest. With function seam between seat surface and backrest for inserting variably positionable armrests.

**Construction** consisting of an inherently stable carcass of wood material with foam upholstery and wadding-fleece padding. **Frame** made from chrome-plated circular steel brackets with two seating heights (400 or 460 mm) with plastic, felt or dual-component universal glide elements and 20mm height adjustment.

Combination. Individual elements can be combined to create seating landscapes.

The following material groups are available to choose from: Frame made of steel: M(chrome-plated); Fabric cover: S16,45,46,51,53.
